Dear PICO (Person in Charge of Olympiads),

Thank you for your interest in a MOEMS® Institute team.

A MOEMS® Institute Team is one which is composed of students from one or more schools that do not have a MOEMS® team at the same level (Division E grades 4-6, Division M grades 6-8).

An Institute Team may only enroll students whose school does not participate in Math Olympiads. Students who were denied membership to the school team for any reason may not join an Institute Team. In other words, if a student's school participates in the Math Olympiads, the student may not be a member of the Institute team. There are no exceptions to this rule. The supervisor of the Institute Team must ensure that all team members comply with this condition.

A completed Supplemental Application for each student must be signed by the administrator of the student's school and submitted to MOEMS® by October 31, 2023.

Students are eligible for all MOEMS® Individual Awards. However, Institute Teams are NOT eligible for any MOEMS® Team Awards.

Your application may be emailed to the office at office@moems.org or faxed to 516-785-6640.

Please call if you have any questions.

Best regards,

Meryl Fordin, Director
